

## HOTEL YOUNTVILLE FACT SHEET

### A CHARMING STORY

Rooted in Yountville history, Hotel Yountville presents guests with a wine country home inspired retreat anchored by a Heritage Valley Oak. Beckoning guests with stone buildings constructed of stacked Napa river rocks, heavy timber beams and copper accents, Hotel Yountville offers 80 romantic, spacious guest rooms, The Spa, Heritage Oak and its decadent pool courtyard and pool bar. As one of Napa Valley's top hotels, with charming service and genuine comfort, and Oak Hall for events, Hotel Yountville creates a Vintage Yountville escape for wine country lovers.

### ABODES

Each guest room at Hotel Yountville provides luxury in-room amenities without losing the inviting and warm ambiance that makes for a personable experience. Guests may choose from a variety of room sizes and layouts while those looking for extra space and privacy may choose from the suite variety.

As the largest suite in Yountville, the Yountville Presidential Suite exudes luxury with space for entertaining and a large dining area, king bed, two-person spa tub, freestanding rainfall and steam shower, two separate counter areas with sunken sinks, plush bathrobes and slippers complete with a fieldstone fireplace. The 1,100 square foot suite has the option to connect a 575 square foot premium king suite to the space.

The common areas of Hotel Yountville encourage guests to make themselves at home with a welcoming lobby fireplace and an intimate interior design of stone, warm wood and an airy color palette. Taking advantage of picturesque surroundings, Hotel Yountville presents an outdoor lobby fire-pit and bar area where guests may unwind around a soothing water feature.

### HISTORY

Steeped in romance and vintage charm, Hotel Yountville beckons guests to a wine country retreat inspired by the deep-rooted history of the Valley. Built around the oldest Heritage Oak Tree in The Valley, Hotel Yountville is a finely crafted experience offering friendly service and genuine comfort, with luxurious details tucked away in the quaint corners of the vintage yet decadent ambiance. Noble in nature and long living in tradition, the trees at Hotel Yountville are a part of the legacy that welcomes guests.

Operating on the grounds of the former Yountville Inn originally built in 1998, Hotel Yountville offers 80 guestrooms. With an original farmhouse structure that pays homage to the legacy of the grounds' early owners, the property's aesthetic stays true to its heritage in design details. The exterior foundation of the wine country influenced retreat is constructed of Napa river rocks, offering a distinct reminder of Yountville's forgotten gems, like the Hopper Creek River that runs close by.

Anchored by the resilient roots of an original Heritage Valley Oak, some hundreds of years old, with the promise of new beginnings with every fallen acorn, Hotel Yountville presents Yountville heritage reimagined in a unique hotel experience of culture and comfort.

## **HERITAGE OAK**

The reimagined, signature restaurant of Hotel Yountville, Heritage Oak, is a must-experience classic American breakfast and lunch spot. The culinary team's creative and seasonally conscious menu is based on a bounty of fresh produce and ingredients, featured in Chef Inti's signature, fresh, homemade jams. Heritage Oak delivers in-room dining via a vintage-inspired, three-wheel cruising bicycle with large basket delivering a neatly packed picnic basket of treats.

Utilizing the breathtaking outdoor pool area and promenade at Hotel Yountville, Heritage Oak services the area near an oversized fireplace and outside dining terrace shaded by a heritage oak tree. A refreshing poolside menu with light bites is available upon request.

At the heart of Hotel Yountville's lobby is the Lobby Lounge, a comfortable gathering serving cocktails, appetizers and aperitifs. For guests looking to extend their evening, the Lobby Lounge offers an outdoor patio with inviting seating, a roaring fire, romantic candles and a soothing water feature.

## **THE SPA**

Centered upon a promise to deliver a zen-like and blissful experience, The Spa at Hotel Yountville is a haven that encourages rest and rejuvenation. A full-service spa with six treatment rooms, a relaxation room and boutique store, The Spa offers treatments that include full-body massages, couples' massages, facials, wraps and body polishes. Specialty features of The Spa include two couple's spa suites, which feature Swiss showers, luxurious double hydrotherapy tubs and fireplaces.

## **THE POOL**

The centerpiece of the retreat, The Pool encourages guests to immerse themselves in an oasis surrounded by towering Italian Cypress trees and a majestic oak tree. The Pool at Hotel Yountville serves as an extension of The Spa, perfect for taking a dip before or after a spa treatment.

Guests may enjoy light fare without leaving The Pool. Pool cuisine, straight from Heritage Oak, is available on the poolside-exclusive menu. Refreshing hand-crafted cocktails from the bar may be served directly to guests' poolside seats.

## **THE EXPERIENCE**

An amenity rich experience that caters to guest satisfaction, Hotel Yountville is garnished with touches of luxury in every detail. In-room refreshment cabinets are stocked with complimentary organic fruit and nut mixes, granola squares and caramel macchiato almonds accompanied by six signature Hotel Yountville water bottles.

Pet friendly amenities are extended to guests who choose to bring their furry friends along, with a special dog menu featuring gourmet treats and a welcome water bowl.
